I just want to love (capo 2 = A) (no capo = G)

G D E^m C
I just want to love, I just want to sing
G D E^m C
To the One above, who has touched this thirsty soul
G D E^m C
I just want to love, I just want to sing
G D E^m C
To the One above, who has touched this thirsty soul
A^{m7}
And now I'll never be the same

G D E^m C
I'll always love You, I'll always sing to You Jesus
G D E^m C
I long to worship You in Spirit and in truth

A^{m7} G/B
And with this song
C
We'll lift the name of Jesus
A^{m7}
Higher
G/B
And with a shout
C
We'll raise up one voice

G D E^m C
Every day I'll come, spend my life with You
G D E^m C
Learning of Your heart and what You're calling me to do
G D E^m C
Every day I'll come, spend my life with You
G D E^m C
Learning of Your heart and what You're calling me to do
A^{m7}
My every breath belongs to You
