Lord, let Your glory fall as on that ancient day

And as a sign to You that we would love the same

Our hearts will sing that song, God, let Your glory come

You are good, You are good and Your love endures

You are good, You are good and Your love endures
E^m **G/B** **C** **G** **C**
You are good, You are good and Your love endures today

Voices in unison giving You thanks and praise

Joined by the instruments and then Your glory came
G **G^{maj7}** **C** **G/B** **C**
Your presence like a cloud upon that ancient day

The priests were overwhelmed because Your glory came

They knelt upon the ground and with one voice they praised
