

Much Afraid (key = E)

C#m **A**
Empty again, sunken down so far
C#m **A** **A^{m7}**
So scared to fall, might not get up again
C#m **A**
So I lay at Your feet all my brokenness
C#m **A** **A^{m7}**
I carry all of my burdens to You.

A **B**
All of these things held up in vain
C#m **B**
No reason or rhyme just the scars that remain
A **B**
Of all of these things I'm so much afraid
C#m **B**
Scared out of my mind by the demons I've made
A **B** **C#m** **B**
Sweet Jesus, You never ever let me go
A **B** **E**
Oh, sweet Jesus, You never ever let me go

C#m **A**
So happy to love, yet so far to go
C#m **A** **A^{m7}**
You lead me on to where I've never ever been before

Chorus

No, no, no, sweet Jesus, You never ever let me go
