

So come (key = G)

G **G/F**
You have taken the precious from the worthless

C^{maj7}/E
And given us beauty for ashes
D^{7sus}

Love for hate

G **G/F**
You have chosen the weak things of the world

C^{maj7}/E
To shame that which is strong
D^{7sus}

And the foolish things to shame the wise

[**D⁷**] [on 2nd & 4th verse]

You are help to the helpless
Strength to the stranger
And a father to the child that's left alone
And the thirsty You've invited
To come to the waters
And those who have no money come and buy

C **A^{m9}** **G**
So come... so come
C **A^{m9}** **G**
So come... so come

Behold the days are coming
For the Lord has promised
That the ploughman will overtake the reaper
And our hearts will be the threshing floor
And the move of God we've cried out for will come
It will surely come

For You will shake the heavens
And fill Your house with glory
And turn the shame of the outcast into praise
And all creation groans and waits
For the Spirit and the bride to say
The word that Your heart has longed to hear
