

## This means I love You (key = E)

**E**                    **E/D#**            **C#m7**            **B**  
This means I love You, singing this song  
**A**                                    **A/C#**            **A**                    **B**  
Lord I don't have the words, but I do have the will  
**E**                    **E/D#**                    **C#m7**            **B**  
This means I love You, that I take up my cross  
                  **A**            **B**                    **E**  
I will sing as I walk out this love

**C#m7**            **B**            **E**  
Jesus this life is for You  
**C#m7**            **B/D#**            **E**  
Everything Lord, that I do  
**C#m7**                    **B**                    **A**                    **A/C#**  
Deeds that are pleasing and ways that are pure  
**F#m7**                    **B**                    **E**  
Lord may my life bear this fruit

**C#m7**                    **B**                    **E**  
For these are the plans of my heart  
                  **C#m7**                    **B/D#**                    **E**  
Yet often I'm missing the mark  
**C#m7**                    **B**                    **A**                    **A/C#**  
See my desire to live in Your truth  
**F#m7**                    **B**                    **E**  
This surely means I love You
